Discipline Plan 2019-20

Foundational ideas: Caring, Principled, Thinker

Basics:

- This plan targets classroom-level behaviors
- Students will be rewarded for good behavior every three weeks
- Students who need redirection and reflection will do so during lunch or recess based on how many redirects they earn (see chart)
- Every student gets a clean slate after three weeks
- We will run an end-of-day activity schedule during incentive days

Redirects	Consequence
3 Redirects	Miss Recess/lunch + Reflection Sheet
6 Redirects	Miss Recess/lunch + Reflection sheet + Contact home
9 Redirects	Miss recess/lunch + reflection + NO INCENTIVE PARTY
12 Redirects	Restorative Room for the day

Reflection:

- When students miss recess/lunch they will spend time reflecting on being caring, principled, and being a thinker.
- When they are done reflecting in writing, they will have a conversation with an adult about how they can correct behavior

No-warning Redirects:

- Tardy to class
- Horseplay in the hallway
- Backpacks/large purses in the classroom
